

# LOVE IS KIND

A FAMILY DEVOTION

Read the scripture aloud twice! The first time just simply listen. The second, remember what sticks out to you, it can be a phrase, word, feeling, anything!

4 Love is patient, love is kind. It does not envy, it does not boast, it is not proud. 5 It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. 6 Love does not delight in evil but rejoices with the truth. 7 It always protects, always trusts, always hopes, always perseveres. 8 Love never fails.

1 Corinthians 13:4-8

Spend some time talking with your family about what stuck out to each of you and why.

In what ways can you show a love that is kind?

In what ways can you honor others?

What does it look like to keep no record of wrongs?

This passage is a beautiful explanation of how love looks! God's love is all of the things in this verse and we know that love is the greatest thing we can do. Jesus commanded that loving God and others is the most important thing we can do while we are on Earth! In this verse, we see that there are a lot of ways to show God's love. Be kind. Be patient. Do not brag or compare yourself to others. Be fair and honest. Do not give up. Be loyal. This is what love looks like!

Dear God,  
Thank you for giving us a love that never fails. Help us to love others in the same way.  
Amen
