

# His Grace

## 2nd Sunday of Lent

**9 He has saved us and called us to a holy life—not because of anything we have done but because of his own purpose and grace. This grace was given us in Christ Jesus before the beginning of time, 10 but it has now been revealed through the appearing of our Savior, Christ Jesus, who has destroyed death and has brought life and immortality to light through the gospel.**

**2 Timothy 1:9-10**

**Discuss with one another**

**What is a holy life?**

**Where have you seen God this week?**

2 Timothy 1 tells us that God has called us to live a holy life! Living a holy life means loving God and listening to his teachings. Our best example of how to live a holy life is Jesus. We often look to Jesus's life on Earth to guide us. He taught us how to pray, how to treat others and how to trust God.

**Talk to each other about some stories where Jesus showed us how to live a holy life.**

We are all, without a doubt, called to live a holy life. We are called to love others, forgive others, trust our Lord and spread the good news of the gospel! And we are capable of great good with the help of God.

But, we will not always do these things perfectly. Sometimes we will act selfishly or let our anger control us. But, God loves us as broken and imperfect as we are and offers us grace upon grace. As our scripture says we are given this grace at the beginning of time, not because anything we have done but by the overwhelming grace and love of our Lord.

Before you could even talk, you were granted the grace of God. He brings to us life abundantly. Remember this week that there is nothing that can separate you from the love of God.

**Please take time to pray with your family.**

If you are participating in the candle lighting, please light 5 candles.

There at kits at the River City Campus you may pick up on Sunday mornings or simply take 6 candles from home and place them in the shape of a cross.
