

His Wisdom

3rd Sunday of Lent

1 Corinthians 1:22-25

Brothers and sisters:

Jews demand signs and Greeks look for wisdom, but we proclaim Christ crucified, a stumbling block to Jews and foolishness to Gentiles, but to those who are called, Jews and Greeks alike, Christ the power of God and the wisdom of God.

For the foolishness of God is wiser than human wisdom, and the weakness of God is stronger than human strength

Discuss with one another

**Can you think of a time you had to admit
you didn't know an answer ?**

Sometimes we don't have the answers!
We are very limited in our knowledge.
We aren't aware of a lot of the world, we
don't know every other living being, and
sometimes it gets hard to decide right
from wrong. We can turn to our pastors
and our parents and our friends and they
often will help guide us. It is great to
have a community of people that you
really trust. We are meant to have help!
Without those around us, we would be
lonely and sometimes not know what to
do. God uses those around us to show us
his wisdom and his love.

But even the smartest people on Earth will not have all the answers. It is just part of being human. And yes, this can be frustrating but also it gives us the freedom to rely on God. God is all knowing and will guide us on the right paths. So the next time you aren't sure of the right answer, be comfortable in that and pray to God that he might reveal his wisdom.

Please take time to pray with your family.

If you are participating in the candle lighting, please light 4 candles.

There at kits at the River City Campus you may pick up on Sunday mornings or simply take 6 candles from home and place them in the shape of a cross.
